

Firm Overview

APEX BUILDING GROUP is a Harlem based full service general contractor, CPM scheduling, construction management, & real estate development company that consistently delivers high quality residential, institutional & commercial properties.

With over 30 years of experience, we offer an unbeatable competitive advantage by providing comprehensive expertise, innovative solutions, meticulous attention to detail & a commitment to excellence. Our goal is to foster long-standing relationships by ensuring client satisfaction through superior service at a competitive price.

What sets APEX apart:

Reliability: Projects are always successfully completed on time & within budget. We provide cost saving options whenever possible.

Responsiveness: We collaborate closely with all project stakeholders in the decision-making process, are flexible, quickly implement innovative solutions to complex issues & provide regular updates to ensure success.

Experience: Our team has extensive expertise in renovating buildings with occupants with minimal disruption, as well as attention to health & safety.

Community: We are dedicated to building superior affordable properties to revitalize & strengthen communities.

Services:

General Contracting: We have a proven track record for successful execution of a broad range of construction, restoration & renovation projects.

Construction Management: Our comprehensive services include schedules; estimates; detailed coordination with architects, engineers, trades & clients; permits; environmental issues; & inspections.

CPM Scheduling: Develop & monitor detailed construction schedules including risk analysis, mitigation management & change order analysis.

Real Estate Development: By combining our resources with financial analysis expertise, we transform undervalued multifamily & mix-use properties as well as new construction into high-performing assets.
